

The Pacific Northwest Chapter of APTA
Association for the Promotion of Tourism to Africa

Presents
Cynthia Reed

A & K in Africa

We will tour through sub-Saharan Africa, looking at gorillas in Uganda, boutique camps in Kenya & Tanzania, the best of Botswana, and the next “new” safari destination of Zambia. This will be an evening devoted to the unique, special ways clients can avoid larger lodges and mainstream travel in Africa. Come prepared to hear about helicopters, balloons, boutique camps and a very special way to give back to a region we all love.
